+ game produced in both dedicated & software forms • game produced in both upright & deluxe forms ◆ game produced in both dex. upright & retrofit kits

ESRB has provided the following manufacturer self-ratings under the Parental Advisory System:

● Suitable for all ages ● Mild animated violence ● Strong animated violence ● Mild de-fec violence ● Strong de-fec violence

NOTE:

Revised titles are no longer available NEV in general distributors. Look for these games on the used equipment market.

Operators were mailed "ballot sheets" listing games in active operation in U.S. street locations and game centers and asked to "vote" the winning performance of each on the "1 to 10" measure. "0" for "power-house earnings," "1" for "excellent," "2" for "very good game," "3" for "good game," "4" for "fair game," "5" for "below average," "6" for "below average," etc. The writer votes were tallied and divided by the number of times the specific game was rated. Hence, the decimal points.

DIST.:

The percentage of this month's surveyed arcade and street location operators who have the item on location.
